

ABOUT GREENE HILL SCHOOL

Greene Hill School is a progressive independent school in Fort Greene, Brooklyn. The Lower School opened in 2008 with a single class and now has seven classes up through 5th grade. In 2014, Greene Hill is launching a middle school with 6th grade and by 2016 will offer a comprehensive pre-K – 8th grade program.

NONDISCRIMINATION POLICY AS TO STUDENTS

Greene Hill School (the "School") admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the School. The School does not discriminate on the basis of race, color, sexual orientation, national and ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, financial aid programs, and athletic or other school-administered programs.

HOW TO APPLY

At Greene Hill School, the admissions process is aligned with other independent schools. Tuition is kept as low as possible and the school has a sliding scale to make a Greene Hill School education more accessible to all families.

STEP 1

Visit the school

STEP 2

Submit an application, teacher recommendations, and a school report

STEP 3

Schedule a meeting for parent/guardian and classroom visit for child

STEP 4

Receive notification regarding admission

The steps to apply to Greene Hill School Middle School are outlined, in detail, on our website at www.greenehillschool.org

MIDDLE SCHOOL

WELCOME TO GREENE HILL MIDDLE SCHOOL

We invite you to learn more about our exciting new program. At Greene Hill, your child will be part of a school that cares deeply about children and where the commitments to community, academic engagement, and creativity are paramount.

The middle school is dedicated to engaging children as active participants and initiators of their own learning. Using a constructivist approach (meaning students work to develop an understanding of a concept through investigation and experimentation), we encourage middle schoolers to investigate real-world problems and develop problem-solving and critical-thinking skills in the process. In all academic areas, students undertake independent and collaborative projects that extend the ideas and topics introduced to them by their teachers, becoming more self-directed as they get older.

ADVANTAGES OF A GREENE HILL SCHOOL EDUCATION:

Experienced teachers who bring passion and developmentally appropriate strategies to their classrooms

Small, nurturing environment where every student is known well

Emphasis on critical-thinking skills and authentic experiences

Challenging academic program that addresses the needs of all students

Exciting humanities-based curriculum

Math, science, and technology instruction emphasizing investigation and real-world problem-solving

Focus on the social-emotional world of early adolescence

Commitment to community building

Innovative lab modules with an emphasis on independent learning

One-on-one high school advisement and support through the application process

Newly renovated middle school spaces
